## EXPERIENCE

### Harvard Generations Project

Worked with Director in establishing this new venture within the Center for Business and Government (CBG) in the Kennedy School of Government. Researched and helped publish a comprehensive report on university-wide research efforts relating to population aging and demographic trends.

### U.S. Fulbright Scholarship in Poland, *Fulbright Scholar*.

Researched Poland's restructuring of its national security policy and military transformation in light of its entrance into the European Union and membership in NATO. Concurrently used Polish fluency to work with the US Embassy in its outreach efforts by presenting lectures to the Polish community on US culture, education, and government.

### AmeriCorps Program, *Volunteer*.

AmeriCorps volunteer placed with the Capuchin-Franciscan volunteer program that ministered to the poor and marginalized while living in community with other volunteers. Ministry placement was with the nonprofit *National Coalition to Abolish the Death Penalty* (NCADP). Worked as a communications assistant doing research and writing alongside the Director.
